

Our trip to Cardiff by Melanie Gould

1 First we went to Cardiff Castle. We learned a lot about the castle's history.  
 Then we went to Bute Park near the castle and ate our sandwiches. We also played football and listened to some music. The weather was really nice and sunny.  
 After lunch we went to the Millennium Stadium. It's a really big sports stadium in the centre of Cardiff. Many famous teams have already played rugby and football there.

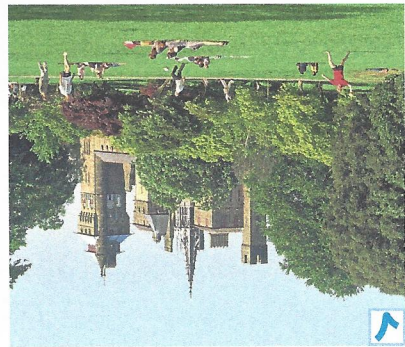

15 Then we all went shopping. But James and Daniel had to sit on the bus with Ms Field. Our trip was great fun. I loved the Millennium Stadium and the shops in Cardiff.  
 Have we ever been on a better trip?  
 20 - No, we haven't!

When it was time to leave, we couldn't find James or Daniel. Suddenly a girl saw them. The boys were on the playing field. Ms Field was very angry. The boys had a big problem!
