London life

Madame Tussauds is a famous museum with wax figures. Do you know the figure in the picture? Is it a king, a queen or a star?

This big wheel is the London Eye. On a nice day you can see a lot of the city of London. Germans helped to build it.

St Paul's is a great sight in London too. This famous church is 300 years old. St Paul's is 111 metres high.

Big Ben, or the Elizabeth Tower, is a very famous clock tower. It's near Westminster Bridge.
