- The man is eating fish and chips.
- She is playing with a ball.
- She isn't playing with a ball.
- The bus isn't waiting.
- The bus is waiting.

Listen! Right or Wrong? Listen and tick. The right box.

I asked, "Thank you, great. Can you tell me where that is, please?"

"Sorry, we haven't, but you can get some in York Road," answered the shop assistant.

"Have you got any books?"

"I bought some nice souvenirs at a newspaper kiosk in London."

Put in the right words.

Topic 3
5 Look at the street maps and write the words.

1. Turn left
2. Then turn third
3. Then you turn
4. Go straight on
and go across right second right. The park
the street.

is on the left.

6 (Speaking) Ask and give directions.

Partner A wants to go to the new cinema in High Street. He/She asks for help. Partner B gives directions.

Complete the dialogue first. Then act it with your partner.

tell your help first Excuse me (✓)

go across turn straight on (✓)

No problem

Partner A

Excuse me, can you tell me the way to the cinema in High Street?

OK. Turn first or second right?

Thank you very much for your help.

Partner B

Yes, go straight on.

Then turn right.

Turn first right. Then go across the street and you're there.

7 (Speaking) Say how you go to school. (Individuelle Lösung)

Do you go by bus, by bike, by car, by tram, by underground or on foot? Use a street map of your town.

I go to school by bus. First I ... Then I turn ... to the bus stop. I take the bus number ... to school. I get off at ... Street. Then I ...
