● 2 Put in the right words.

Setze die richtigen Wörter ein.

sells

parents

money

every

second-hand

stall

Thomas Tallis School organizes a flea market every year.

Luke's friend Ron has a stall there too.

He sells computer games and books.

But they are not new; they are second-hand

books and games. A lot of students and

parents buy the things at Ron's stall.

His dog Sam likes this. The money is for

his friends at the animal rescue shelter.
